Project Title: Exploring Polar Night Energy

Date: Week of 10/11/2021

Members:

-*Anton Skvoretz* – Connector / Gatekeeper / Information Provider.

-*David Iheme* – Test Engineer.

-*Dylan Vos* – Meeting Scribe.

-*James Stutzka* – Meeting Facilitator.

-*Kasey Kellogg* – Report Manager

-*Muhammad Roslan* – Design Lead

-*Noah Sampson* – Arbitrator

What we've accomplished in the past week/what we've been researching:

-*Anton Skvoretz* – Working on the design assignment and continuing the conversation with ISU utilities.

-*David Iheme* – Worked on the design project with the other group members

-*Dylan Vos* – Worked on the Design Assignment document and the lightning talk for that assignment

-*James Stutzka* – Worked with the group to complete the design assignment. Translated this assignment into a presentation for lightning talk.

-*Kasey Kellogg* – Collaborated with group members to complete the design assignment for this week, as well as recorded the voice over for the accompanying lightning talk.

-*Muhammad Roslan* – Completed the previous lightning talk. Contributed to design assignment discussion.

-*Noah Sampson* – Worked with the group to complete the design assignment

What we're planning to do in the coming week:

-*Anton Skvoretz* – For next week I will work with the group to complete the testing assignment and lightning talk.

-*David Iheme* – Focus on assisting with next week's testing assignment as well as the lighting talk

-*Dylan Vos* – Work on Testing assignment.

-*James Stutzka* – Will work with the group to complete the testing assignment. Outside of group work I plan to look into the design of Polar Night Energy and how we can incorporate their product into our campus heating system.

-*Kasey Kellogg* – Assist in completing next week's testing assignment and lightning talk.

-*Muhammad Roslan* – Assist in completing next week's testing assignment.

-*Noah Sampson* – Assist in completing next week's testing assignment and lightning talk.

Issues we had in the previous week:

-*Anton Skvoretz* – We missed a Wednesday meeting this week because we all have other stuff, but it's not a problem because we met later in the week. All good.

-*David Iheme* – No problemo.

-*Dylan Vos* – no issues

-*James Stutzka* – No issues.

-*Kasey Kellogg* – No issues.

-*Muhammad Roslan* – No issues.

-*Noah Sampson* – No issues
